In connection with this insurance, we may review your credit report or obtain or use a credit-based insurance score based on information contained in that report. An insurance score uses information from your credit report to help predict how often you are likely to file claims and how expensive those claims will be. Typical items from a credit report that could affect a score include, but are not limited to, the following: payment history, number of revolving accounts, number of new accounts, the presence of collection accounts, bankruptcies and foreclosures. The information used to develop the insurance score comes from TransUnion. If you have any questions about the use of credit information in insurance underwriting, you can contact us at 1-800-332-3226 or write us at **P.O. Box 515097, Los Angeles, CA 90051-5097**.

RENTERS

TOP 3 REASONS TO CHOOSE SAFECO®

1

Affordable coverage, great protection.

Renters insurance may be less expensive than you think. For a low monthly payment, you can protect things like your TV, computer, furniture and more. And, if you have another policy with Safeco, like auto insurance, you could be eligible for additional savings.

2

Protection beyond your dwelling.

Safeco renters insurance protects more than just your belongings:

- Any property inside your car is most likely covered in the event of theft.
- Liability coverage is included, protecting you and insured members of your household in the event your actions cause injury to others or damage to their property and you are determined to be legally liable.

3

We take out the guesswork.

Determining your exact level of coverage can be challenging. That's why an independent Safeco agent is here – to make sure you have **the coverage you need**, and none of the coverage you don't.
